

Countywide Tri-Cities Youth Leadership Conference and Music Workshops  
Theme: My Life, My Community, My Purpose

Date: January 1, 2018

Leadership Conference and Music Workshops-March 10, 2018 to May 6, 2018

For the past 23 years, the Countywide Tri-Cities Organization has offered youth leadership training to local churches and youth organizations. We created this organization to assist youth leaders in setting goals, team building, project management, decision making and sharing ideas.

We incorporate leadership life skills and disciplines as part of our teaching regiment. We seek to establish lifelong bonds with youth leaders to grow and develop vibrant communities. In order to reach a goal you must have a goal. Regardless of whether your organization is social, civic or religious, these core principles still apply.

Music and the fine arts are so important to the development of a child. For eight weeks' hundreds of youth between the age of 8 and 21 will enroll into our program to enhance their skills in the following areas: singing, dancing, modeling, stepping, pageantry, mime, and public speaking. Our youth and youth leaders meet every Saturday from 10AM to 5PM. Free lunch is served every Saturday.

If you are not able to participate, will you contribute to this awesome community project for our youth? Your monetary donations and contributions of towards our FREE LUNCH program and operational expenses is much appreciated. We are asking every church to contribute whatever you can.

Our fiscal manager is Branches of the Arts-501 C3 non-profit organization.  
Your donation to this organization is tax deductible.
